Alpine District
Unit Recognition Celebration Dinner
Nominating Form for

Pack of the Year
Troop of the Year

"The rest of a boy's life is the lengthened shadow of his Scout Leader."

Has your unit has reached, achieved, and perhaps exceeded the goals it set for 2007? For example, did you increase membership and retain the members that were already there? Which Alpine District activity did your unit host that benefited other scouts in the district besides your own? Has every Scout advanced one rank in the past year? Has each Boy Scout earned First Class within approximately the first year of joining your Troop? Did you have 100% participation in your unit's service projects? If a troop, are all your parents registered as district-wide Merit Badge Counselors?

Tell us what made your Cub Scout pack the "**Pack of the Year**" or your Boy Scout troop the "**Troop of the Year**" for 2007. Be specific! Include how youth in other units or the community benefited from your unit's program.

The "Pack of the Year" and the "Troop of the Year" Awards will be presented at the **Unit Recognition Celebration** dinner, May 2008. Location to be announced.

All Nominations are due no later than April 12th.
